# Colonie Golf

The 18-hole, par 72 golf course at Colonie Golf & Country Club features 6,847 yards of golf from the championship tees with a course rating of 74.1 and a slope of 133. Four additional sets of tees are offered to cater to all playing abilities. Designed by Geoffrey S. Cornish, ASGA, the Colonie Golf & Country Club opened in 1964.

Long regarded as one of the best courses in upstate New York, we strive to continue that tradition through excellent course maintenance and continuing improvements. It is with great pride that we present our golf course to you and your family.

CGCC offers many services for members who play golf. There are three Class A PGA golf professionals (Frank Mellet, Ben Banks & Kevin Cain) on staff to assist players of all ages with their golfing needs, including private lessons, clinics and camps. We have a fully equipped practice facility with range plans available for individuals and families who like to practice. With active men's, women's and couples golf leagues and many junior programs for the younger golfers, we have something to offer each golfer in your household.
